PESO SNAP

USER GUIDE

LANDING PAGE

- When the Peso Snap application is downloaded and opened for the first time there will be a landing screen
- Welcome to Peso Snap! Please wait while we prepare your app experience. Discover the rich history and intricate designs of Philippine peso coins, from 1 Peso to 20 Pesos. Get ready to start the recognition!

HOME PAGE

After the landing page, the user will be directed to the home page. The home page is designed to make it easy for you to start peso coin recognition. Here's what you'll find:

- **Total Coins Recognized:** Displays the total number of coins that the app can recognize.
- **Coin Image:** Clear image of the coins for easy identification.
- **Coin Denomination:** The value of the coin; ₱1, ₱5, ₱10, and ₱20 (Old and New)

COIN DETAILS PAGE

Pressing “About Coins” button opens a detailed information window for a specific coin. These pages includes:

- **High-Resolution Images:** Front and back images of the coin.
- **Coin Description:** Information about the ₱20 coin.
- **Coin Description:** Information about the ₱10 coin (Old and New).

The image shows two smartphones side-by-side, each displaying a coin details page from a mobile application. The left phone has a red background and displays information for the 5 Peso Coin (old) and 5 Peso Coin (new). The right phone has a purple background and displays information for the 1 Peso Coin (old) and 1 Peso Coin (new). Both screens show high-resolution images of the coins and their descriptions.

5 Peso Coin (old)

5 Peso Coin (new)

The Philippine five-peso coin (₱5) is the third-largest denomination of the coin of the Philippine peso.
